

REMARKS

This application is the entry into the national phase in the United States concerning International Application No. PCT/FI2004/000614. That application was filed with a number of multiply dependent claims. These included some multiply dependent claims which were themselves dependent from other multiply dependent claims. As such a claim structure is not permissible in the United States, applicant takes this opportunity to remove all multiple dependencies from the claims.

Prompt and favorable examination of claims 1-20 is respectfully requested.

Respectfully submitted,

FAY, SHARPE, FAGAN,
